

ENTRY CIRCULAR

Title: Australian Surf Life Saving Championships 2021 Entry Circular
Document ID: Circular 17/20-21
Department: Sport
Audience: State/Territory Surf Sport Managers, Directors, Club Secretaries, Branches, State/Territory CEO's Sport Standing Committee
Summary: This circular contains the relevant details for entering competitors into the Australian Surf Life Saving Championship 2021.

While SLSA is calling for entries for all regular events to be held at the Australian Surf Lifesaving Championships, due to potential COVID-19 restrictions in place at the time of the event (border closures, social distancing, venue numbers, quarantine requirements etc.), SLSA reserves the right to reduce both the number of events and the number of participants per event as well as the order in which events will be held. It is currently not possible to predict the impact of COVID-19 for an event to be held in April. Members must make their own assessment in relation to entries.

This document has been prepared with the best intentions based on current State Health Authority information regarding COVID-19 restrictions and related border movements. However, as has been noted over many months this information is constantly changing and as such all athletes, coaches and supporters should be prepared to allow for some flexibility in their planning. SLSA will do their best to provide advance notice on the listed options and possible further amendments however, again, as has been witnessed over many months COVID-19 restrictions can be amended with little to no notice by the various State Health Authorities.

SLSA is actively working with QLD Health and the Sunshine Coast City Council to finalise the COVID Safe Plan for the Championships. Due to the dynamic nature of the COVID-19 pandemic, and related restrictions, SLSA cannot guarantee there will be no amendments to the event and/or the timetable of races leading into and during the Championships. All endeavours are being examined and discussed to keep the event as normal as possible however SLSA acknowledges that due to the COVID-19 pandemic there are likely to be restrictions in some form placed on the Championships.

Please note, if your club enters Youth, Masters and Opens competitors, the club's overall Team Manager is responsible to pass on all accreditation passes to Youth, Masters and Opens Assistant Team Managers.

Clubs will receive their accreditation passes with their lycra at the Team Manager briefing.
